

Asbri is a young and dynamic planning consultancy operating in a range of sectors across the UK. We are looking for a Planner / Senior Planner to join either our Swansea or Cardiff office in response to an increasing workload from a wide range of clients.

Role	The role requires someone that is capable of maintaining the highest standards of client care as well as the ability to win new business through delivery. The successful candidate will be responsible for managing a number of complex projects and duties will include site appraisals, public consultation, project management, preparation, submission and monitoring of planning applications for a range of developments including residential, commercial, leisure and renewable energy development. The role will also require project management of an appeal caseload including written representations, informal hearing and public inquiry submissions as well as negotiating section 106 legal agreements.
Skills/Experience	Educated to degree level or equivalent, you will have between 2-5 years' experience (Seniors would need approx. 5 years) and ideally be a Chartered Member of the RTPI or working towards being a Chartered Member of the RTPI. You will have good verbal and written communication skills, a sense of humour, the ability to work well within a team, commercial awareness and project management skills in line with your experience and be flexible and adaptable in your approach. Previous local authority experience would be of benefit but is not essential. A full driving licence and access to a car is a requirement.
Salary	A competitive salary and benefits package is offered along with the opportunity to progress your career further within a young and dynamic business.

To apply, please forward a copy of your CV with details of your experience to date to mail@asbriplanning.co.uk. If you wish to speak to a member of staff regarding the position, please contact our Swansea office on 01792 480535 or Cardiff office on 02920 732652.
